

# Unity Summit Conference Agenda

## Wednesday, 04/30/25 Exhibitor Prep

6:00 PM	9:00 PM	Exhibitor Setup	
---------	---------	-----------------	--

## Thursday, 05/01/25 Industry Marketplace

Start Time	End Time	Title	Description
7:00 AM	10:30 AM	Exhibitor Setup	
9:00 AM	5:30 PM	<b>INDUSTRY MARKETPLACE</b>	<b>TRAININGS BEGIN 9:00 / EXHIBITS OPEN 10:30 AM</b>
10:30 AM	5:30 PM	Exhibits Open	
9:00 AM	12:00 PM	Board Meetings	AAERT and STAR will hold their respective Board meetings
9:00 AM	12:30 PM	NNRC Private Meeting	This morning session of the NNRC Annual meeting will be held in the Admiralty Board Room following breakfast from 8:00-9:00.
9:00 AM	12:00 PM	Stenograph Ask-a-Trainer (By Appointment)	Stenograph is offering one-on-one training for the following (sign-up required): Track #1 - MAXScribe, Catalyst and Voice Track #2 - MAXScribe, Catalyst and BCS Track #3 - YesLaw Track #4 - Case Testify
9:00 AM	10:30 AM	Eclipse Training:  Rise Up & Realtime with Dragon Speaker: Amy Armstrong	This intermediate-level training program enhances realtime transcription accuracy through a results-driven approach. Focusing on both Speech Recognition Engine (SRE) and Computer-Aided Transcription (CAT) software, it helps reporters develop a cohesive understanding of each tool. Participants will gain confidence in their takedown, workflow management, and realtime output. This session will focus on Settings Optimization, Editing & Customization, Wordlist Preparation, and Homophone & Conflict Resolution.
10:45 AM	12:15 PM	Loom Training: From Typist to Tech-Forward: Mastering MS Word for AI-Driven Transcription	Ready to level up your transcription workflow? This 90-minute introductory course is designed specifically for transcriptionists looking to shift from typing everything manually to editing and formatting AI-generated first drafts with speed and precision. You'll learn how to harness Microsoft Word's most powerful tools - from formatting and styles to macros and hotkeys - so you can work faster, reduce repetitive strain, and spend less time fixing transcripts. Whether you're new to automation or just need a refresher, this hands-on course will teach you the essential skills you need to thrive in the new era of AI-assisted transcription.

## Thursday, 05/01/25 (Continued) Industry Marketplace

10:45 AM	12:15 PM	<p>VoiceScript Training:</p> <p>AutoScriptOne – Capture, Edit and Produce High Quality Roughs Immediately</p> <p>Speaker: Lisa Dees</p>	<p>Introducing AutoScriptOne – The industry’s most advanced tool for court reporting capture and real-time editing. In this session, you’ll learn how to produce client-ready rough copy while you record and manage the proceeding. The AutoScriptOne AI enhanced rough draft enables you or your transcriber/proofer to finalize a final transcript in less than half the time compared to other speech-to-text solutions. When combined with the full AutoScript suite, agencies can now save over \$1 dollar per page when producing a final. Bonus: All attendees will receive a \$150 credit toward any AutoScript product.</p>
10:45 AM	12:15 PM	<p>Eclipse Training:</p> <p>Rise Up &amp; Realtime with Eclipse Part I</p> <p>Speaker: Amy Armstrong</p>	<p>This intermediate-level training program enhances realtime transcription accuracy through a results-driven approach. Focusing on both Speech Recognition Engine (SRE) and Computer-Aided Transcription (CAT) software, it helps reporters develop a cohesive understanding of each tool. Participants will gain confidence in their takedown, workflow management, and realtime output. This session will focus on Dictionary Management, Prepping Techniques, and Speaker Identification &amp; Coding.</p>
12:30 PM	2:00 PM	<p>Stenograph Training: Mastering Customization and Efficiency</p> <p>Speakers: Pam Szczecinski Larry Paiz</p>	<p>MAXScribe and Case Catalyst offer a powerful suite of tools tailored to both beginner and advanced users. In this hands-on session, you’ll learn how to customize toolbars, dialog windows, and display settings to optimize your workflow. Discover how to create personalized shortcuts and explore a variety of templates and customization options. Additionally, you’ll uncover a range of effective, yet often overlooked, editing commands that can dramatically improve your productivity and efficiency when editing transcripts, ensuring a seamless and streamlined experience.</p>
12:30 PM	1:45 PM	<p>VoiceScript Training:</p> <p>Better Tools and Best Practice for Scaling Digital Services</p> <p>Speakers: Rene Arvin Wes Herold</p>	<p>Discover the AutoScript Ecosystem – The industry’s only fully integrated, end-to-end platform built to help court reporting agencies of any size scale efficient, profitable digital operations. In this session, we’ll demonstrate AutoScript’s powerful real-time capture and transcript production tools, along with its flexible operations and workflow management features. You’ll see how agencies use the platform to deliver new client-ready products, streamline transcript production, boost operational efficiency, and dramatically reduce the costs of delivering real-time services and transcripts.</p>
12:30 PM	1:45 PM	<p>Loom Training:</p> <p>Advanced Layouts &amp; Templates for Transcriptionists</p>	<p>Design faster. Edit smarter. Deliver consistently. This 90-minute advanced MS Word course is built for transcriptionists and transcription leads who want to take control of document formatting, layout, and automation. Learn how to create professional, consistent transcript templates - and master Advanced Search &amp; Replace to save hours of manual editing. Whether you’re prepping hundreds of legal transcripts or managing a team workflow, this course helps you streamline formatting and work smarter with Word.</p>

## Thursday, 05/01/25 (Continued) Industry Marketplace

12:30 PM	1:45 PM	<p>Eclipse Training: Rise Up &amp; Realtime with Eclipse Part II</p> <p>Speaker: Amy Armstrong</p>	<p>This intermediate-level training program enhances realtime transcription accuracy through a results-driven approach. Focusing on both Speech Recognition Engine (SRE) and Computer-Aided Transcription (CAT) software, it helps reporters develop a cohesive understanding of each tool. Participants will gain confidence in their takedown, workflow management, and realtime output. This session will focus on Realtime Optimization, Connection Magic &amp; Team Edit, and Live Litigation Strategies.</p>
2:00 PM	3:00 PM	<p>The Court Reporter Pipeline: Building the Future Together</p> <p>Speakers: Chris Willette, Esquire Tiva Wood, Project Steno</p>	<p>Court reporting faces growing demand and a shrinking workforce. In this session, Project Steno board member Tiva Wood will discuss the organization's efforts to address the shortage, while Chris Willette will highlight the importance of a multi-method approach. The seminar will also explore the role of professional development through STAR and AAERT and examine what law firms and corporations expect from today's court reporters.</p>
2:00 PM	3:00 PM	<p>REV Training: Modern Reporting Practices: Building a Foundation for Scalable Growth</p> <p>Speakers: Kaci Hardin Liz Dwyer</p>	<p>This session explores how the role of the reporter has changed, key technologies driving the shift, and the industry certifications supporting quality and professionalism. Designed for both freelance and firm affiliated court reporters, as well as business owners, participants will learn how to strengthen their foundation through smart audio practices, ethical standards, and enhanced operational awareness—no matter their preferred reporting method.</p>
2:00 PM	3:00 PM	<p>Eclipse Training: Lights, Mic, Action! Part 1</p> <p>Speaker: Ashli Van Dyke</p>	<p>Eclipse 12 introduces the most extensive update to its audio system ever. This webinar is dedicated entirely to the new audio recording, playback, monitoring, and synchronization tools that revolutionize how court reporters, captioners, and transcription professionals capture and manage audio. Attendees will gain a deep understanding of the latest advancements, how to optimize settings for various recording environments, and how to fully leverage the new features for better accuracy and efficiency.</p>
3:15 PM	4:15 PM	<p>Future-Ready Leadership: Strategies for a Changing Workplace</p> <p>Speaker: Nancy Varallo</p>	<p>As your business evolves, so must your leadership. In this seminar, The Varallo Group will share practical strategies for developing strong leadership, building a resilient team, and creating a culture that drives performance. Whether you're growing a small firm or leading a larger enterprise, you'll walk away with tools to lead better, work smarter, and scale with purpose.</p>

## Thursday, 05/01/25 (Continued) Industry Marketplace

3:15 PM	4:15 PM	<p>Eclipse Training: Lights, Mic, Action! Part 2</p> <p>Speaker: Ashli Van Dyke</p>	<p>Eclipse 12 introduces the most extensive update to its audio system ever. This webinar is dedicated entirely to the new audio recording, playback, monitoring, and synchronization tools that revolutionize how court reporters, captioners, and transcription professionals capture and manage audio. Attendees will gain a deep understanding of the latest advancements, how to optimize settings for various recording environments, and how to fully leverage the new features for better accuracy and efficiency.</p>
3:15 PM	4:15 PM	<p>REV Training: Scaling Your Firm: Strategies for Growth, Training &amp; Operational Excellence</p> <p>Speakers: Kaci Hardin Liz Dwyer</p>	<p>Court reporting firms and freelancers alike face new demands and expectations &amp; the future belongs to flexible, tech-enabled firms. This session offers practical strategies to grow your business, streamline operations, and build flexible service models. From hiring and onboarding to workflow optimization and vendor evaluation, you'll learn how to scale effectively and maintain high-quality outcomes as the industry continues to modernize.</p>
4:30 PM	5:30 PM	<p>Loom Training: Building &amp; Leading Electronic Transcription Operations: A Leadership Course for Court Reporting Managers</p>	<p>The court reporting industry is undergoing a seismic shift — from steno-heavy workflows and manual typing to AI-powered digital transcription and editing. Are your operations ready? In this 60-minute expert-led course, Mona Datt — a 20-year veteran in transcription operations — shares hard-won insights from building and running digital transcription systems across court reporting, insurance, and medico-legal sectors. Today, Mona helps some of the world's largest transcription and court reporting firms successfully navigate this transformation. This course is designed specifically for owners and managers of court reporting companies who want to future-proof their transcription operations, reduce turnaround times, and upskill their teams for the next era of reporting.</p>
4:30 PM	5:30 PM	<p>Panel Discussion: Selling Digital &amp; Stenographic Solutions in the Modern Reporting Industry</p> <p>Speakers: Ron Dalessio Cathy Carpenter Pam Szczecinski</p>	<p>This seminar will provide essential skills for achieving high-quality audio in legal depositions. You'll learn about microphone types, audio mixers, and key accessories, along with proper setup techniques for optimal sound capture. The session also covers troubleshooting tips for common audio issues and best practices for recording redundancy, file management, and easy retrieval.</p>
4:30 PM	5:30 PM	<p>REV Training: Modern Reporting, Maximum Impact: A Smarter Way to Serve Legal Clients</p> <p>Speakers: Ely Cohn, Smart Depo David Greenblatt, Rev</p>	<p>Join Rev and SmartDepo for a hands-on session showing how you can streamline transcript delivery and add 100% accurate AI-generated deposition summaries to your service offering. We'll demo how our services save you time, boost your earnings, and make you indispensable to your legal clients. Whether you're an independent reporter or run a growing firm, learn how to offer more without doing more.</p>
6:00 PM	8:30 PM	<b>OPENING RECEPTION</b>	<b>AT CAYMAN COURT (SAPPHIRE FALLS)</b>

## Friday, 05/02/25

7:00 AM	8:30 AM	Morning Social/Wellness Activity	
9:30 AM	3:30 PM	<b>EXHIBITS OPEN</b>	
9:30 AM	3:30 PM	Stenograph	Ask-a-Trainer Sessions by Appointment MAXScribe, Catalyst and Voice / MAXScribe, Catalyst and BCS / YesLaw / Case Testify
9:30 AM	3:30 PM	Advantage Software/Eclipse	Private Meetings, Demo and Trainings by Appointment
9:30 AM	3:30 PM	REV	Private Meetings, Demo and Trainings by Appointment
9:30 AM	3:30 PM	Loom Analytics	Private Meetings, Demo and Trainings by Appointment
9:30 AM	3:30 PM	VoiceScript	Private Meetings, Demo and Trainings by Appointment
9:30 AM	3:30 PM	Verbit	Private Meetings, Demo and Trainings by Appointment
9:30 AM	3:30 PM	For The Record	Private Meetings, Demo and Trainings by Appointment
9:30 AM	3:30 PM	DepoDash/ProCAT	Private Meetings, Demo and Trainings by Appointment
8:45 AM	9:45 AM	<p>Transcription Synergy: Mastering Teamwork for Flawless Accuracy</p> <p>Panel: Tori Lawton Dena Farbman Amanda Ricker</p>	<p>Join our expert panel of scopists, proofers, editors, and transcribers as they share tips, stories, and best practices for effective teamwork. Learn how they communicate, support each other, and create quality work through seamless collaboration. This seminar is a great opportunity to enhance your teamwork skills and ask questions during the interactive Q&amp;A!</p>
8:45 AM	9:45 AM	<p>What's Hot and What's Not in Legal Video</p> <p>Moderator: Mike Duffy</p> <p>Panel members: David Ross Thomas Munk Marilyn McCloskey</p>	<p>Explore the dynamic landscape of legal video in this engaging panel discussion. Industry experts will dive into the latest trends shaping the marketplace, from cutting-edge technologies to evolving client demands. The session will examine the future of legal video, comparing the roles of remote and in-person services and how each is influencing workflows. Panelists will also discuss the increasing prominence of concierge roles and the critical skills hot seat operators bring to the table. Whether you're navigating hybrid proceedings, adopting new tools, or looking to streamline your services, this session will provide actionable insights into what's driving the industry forward—and what's falling out of favor. Join us to stay ahead of the curve in this ever-evolving field.</p>

## Friday, 05/02/25 (Continued)

10:00 AM	11:00 AM	<p>Advocating for the Professional in the Room</p> <p>Speakers: Kolleen Barnes Jennifer Lindeman Janet Harris</p>	<p>This session will highlight the essential, irreplaceable role of the court reporter in the courtroom and deposition room. As technology advances, it's easy to overlook the critical contributions of trained professionals in ensuring accuracy, integrity, and fairness in legal proceedings. This session will celebrate the expertise of court reporters, from real-time transcription to managing legal terminology and maintaining confidentiality. We'll explore the profession's unique challenges, advocate for its continued necessity, and offer practical insights on adapting to a technology-driven landscape while preserving the human touch in legal documentation. Reaffirm the vital role of court reporters and help shape the future of the profession.</p>
11:15 AM	12:15 PM	<p>Justice Restored: Exoneration, Advocacy, and the Fight Against Wrongful Convictions</p> <p>Speakers: Leonard Mack, Exoneree Jessica Spencer, Speaker</p>	<p>This session explores the transformative journey from wrongful conviction to freedom and the fight for systemic change. Leonard Mack, a Vietnam War veteran who endured nearly 47 years of wrongful incarceration, shares his compelling story of resilience and redemption. Joining him is Jessica Spencer, a legal expert and advocate from the Innocence Project, who will provide insight into the organization's critical role in advancing criminal justice reform. Together, they will discuss the causes of wrongful convictions, the personal and societal impact of these injustices, and the ongoing efforts to ensure fairness and accountability in the legal system.</p>
12:15 PM	1:30 PM	<b>LUNCH</b>	<b>SPONSORED LUNCH IN OCEANA 1, 2 &amp; 3</b>
1:30 PM	3:00 PM	<p>Voices from the Bench and Bar: The Role of Court Reporting in Justice</p> <p>Moderator: Lisa Dees</p> <p>Panel: Jeff Krueger, Esq. Troy Peake, Esq. Judge Joseph Goeke Judge John Delaney</p>	<p>Join leading legal experts for a panel discussion on the evolving role of court reporting in the legal industry. Explore the challenges and opportunities shaping the future of reporting services, and how they impact legal strategies, case outcomes, and the judicial process. Discover how advancements like real-time reporting, remote depositions, and AI-powered transcription tools are transforming collaboration between law firms and court reporters. This session is essential for legal professionals wanting to stay ahead of emerging trends in court reporting.</p>

9:00 AM	5:00 PM	ProCAT	Private Meetings, Demo and Trainings by Appointment
9:15 AM	9:30 AM	Welcome	Opening remarks from STAR President Andrea Wecker and AAERT President Susan LaPooh.
9:30 AM	10:30 AM	Navigating the Evolution and Future of Court Reporting Associations  Panel: Danielle Parker, GCRA Michael Scire, FCRA	This dynamic seminar brings together leaders from the Georgia and Florida Court Reporting Associations to share their valuable insights on the ever-evolving landscape of court reporting. GCRA leaders will provide an in-depth look at their journey toward implementing certification across all reporting methods, demonstrating how their structured approach has helped shape Georgia's current standards. Meanwhile, FCRA leadership will offer a perspective on the expanding role of digital reporters in Florida. The discussion will delve into the balance between technological advancements and the irreplaceable skill of human professionals, emphasizing the power of collaboration in setting industry standards and safeguarding the profession. This engaging session will lay the groundwork for Sunday's seminar, Let US Set the Standards.
10:45 AM	11:45 AM	One Goal, Many Paths: Uniting for Accuracy in Reporting Part I  Panel: Dena Farbman - Transcriber Kayler McGill - Digital Danielle Parker - Voice Lori Bundy – Steno	Don't miss the Reporter Showcase, where professionals from every corner of the industry come together to demonstrate their craft in a live mini mock deposition. Watch as these skilled reporters showcase their expertise, walk you through every step of capturing the record, and explain what goes into producing an accurate, polished transcript – from setup to the final product. This interactive session will highlight the common thread that unites us all: a shared commitment to delivering the most precise and reliable transcripts. Gain a deeper understanding of the art and science behind the record and celebrate the collective pursuit of accuracy.

## Saturday, 05/03/25 (Continued)

12:00 PM	1:00 PM	<p>One Goal, Many Paths: Uniting for Accuracy in Reporting Part II</p> <p>Panel:            Ilene Watson - Transcriber            Kayler McGill - Digital            Danielle Parker - Voice            Lori Bundy – Steno</p>	<p>Return for a dynamic, in-depth conversation where we'll explore the shared challenges and triumphs that unite us as professionals. Together, we'll tackle the obstacles we've overcome, the hurdles that remain, and the best practices for ensuring accurate, timely, verbatim transcripts. This interactive Q&amp;A session will foster a lively exchange of ideas, insights, and solutions, all centered around our one common goal: delivering the most precise and reliable transcripts possible. Don't miss this opportunity to engage in meaningful dialogue and strengthen our collective commitment to accuracy.</p>
1:00 PM	2:15 PM	<b>LUNCH</b>	<b>DepoDash/ProCAT SPONSORED LUNCH IN OCEANA 1, 2 &amp; 3</b>
2:15 PM	3:45 PM	<p>Keynote: Building Trust and Forging Alliances in a World of New Technology</p> <p>Speaker: Roy Reid</p>	<p>In today's rapidly evolving technological landscape, the challenge of building trust and forging meaningful alliances has never been more crucial. As businesses and individuals increasingly rely on emerging technologies, the human element of trust and collaboration becomes the cornerstone of sustainable success. This seminar will explore strategies for cultivating trust and fostering effective partnerships in a world driven by innovation. Whether you're navigating digital transformation, engaging with new technologies, or seeking to strengthen alliances with tech-focused partners, this session will provide practical insights and tools to help you thrive in the complex intersection of trust and technology.</p>
4:00 PM	5:00 PM	<p>Vendor Games: Discover, Connect, and Compete!</p> <p>Moderators:            Ben Jaffe            Deanna Oaks</p>	<p>Get ready for a fun, interactive session that combines the excitement of the Family Feud game show with the opportunity to learn about the key vendors at this year's conference. In this session, attendees will team up to answer trivia-style questions based on vendor offerings, innovations, and services. This engaging format will allow you to discover essential insights about the products and services available to you, all while competing for prizes and bragging rights! Whether you're looking to streamline operations, enhance your services, or discover new industry trends, this session provides a lively and memorable way to interact with our vendor partners. Don't miss this opportunity to learn and network in a playful, team-oriented setting!</p>

9:00 AM	10:00 AM	Protecting Work Product in a Digital World  Speaker: Jason Milton	Court reporting plays a critical role in preserving legal records, where accuracy, reliability, and security are paramount. This talk delves into the essential strategies and technologies that ensure redundancy and safeguard data integrity in modern court reporting. Topics will include robust backup disciplines, encryption protocols, secure storage methods to minimize data loss and disruptions. Attendees will gain insights into best practices for mitigating risks, leveraging technology to enhance security and operational efficiency, and the tools and knowledge to protect work product in an increasingly digital landscape.
9:00 AM	10:00 AM	Perfection in Print: Mastering the Art of Pristine Transcripts  Presenters: Aimee Robinson Kelly Moranz	In the world of transcript preparation, precision is paramount. This session will delve into the essential strategies for creating transcripts that meet the highest standards of accuracy and professionalism. Participants will learn practical tips and tricks to ensure their work is as close to perfect as possible, from meticulous proofreading techniques to leveraging tools and technology for quality assurance. Whether you're a seasoned professional or new to the field, this session will empower you to elevate your craft and deliver transcripts that impress every time.
10:15 AM	11:45 AM	Let US Set the Standards  Panel: Sue La Pooh Andrea Wecker Avi Stadler Amy Armstrong	In this interactive session, we will foster collaboration across different reporting practices, exploring how each method can coexist and enhance the profession. Our goal is to establish foundational standards that promote accuracy, consistency, and efficiency across the profession. Attendees will engage in thought-provoking discussions, share insights, and work together to shape best practices that unify the profession to uphold the highest standards for our clients. This is a unique opportunity to contribute to the future of court reporting, advocate for a cohesive approach, and ensure that all methods are recognized for their value in preserving justice. Don't miss this chance to be a part of this transformative moment!
12:00 PM	1:00 PM	Mastering Windows 11: Essential Shortcuts and Tools to Boost Your Productivity  Speaker: Sam Mattern	Unlock the full potential of your Windows experience in this must-attend seminar with Sam! Discover his essential keyboard shortcuts, powerful tools, and cutting-edge features in Windows 11 that will revolutionize the way you work. Whether you're a seasoned pro or a beginner, Sam's expert tips and techniques will help you work smarter, faster, and more efficiently. Don't miss out on this opportunity to supercharge your productivity and take your Windows skills to the next level!
12:00 PM	1:00 PM	Best Practices for Using Audio Mixers and Microphones in Depositions Speakers: Ron Dalessio Ben Jaffe	This seminar will provide essential skills for achieving high-quality audio in legal depositions. You'll learn about microphone types, audio mixers, and key accessories, along with proper setup techniques for optimal sound capture. The session also covers troubleshooting tips for common audio issues and best practices for recording redundancy, file management, and easy retrieval.
